DURABILITY AND SAFETY

HYGIENIC, OPEN DECK, RACKABLE
PALLET CERTIFIED FOR FOOD
INDUSTRY

1200 x 800 x 160 mm

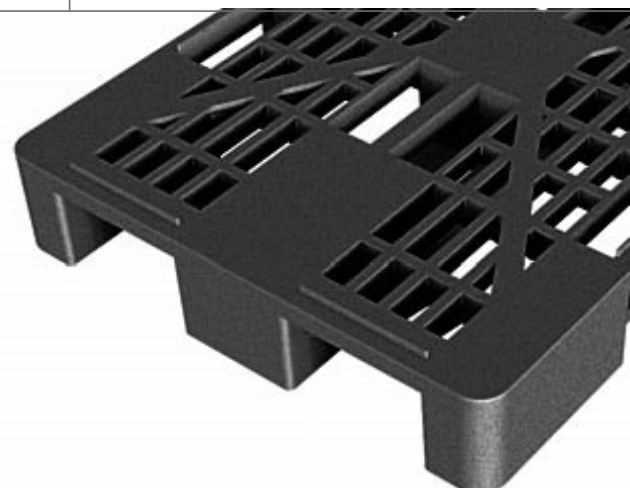

DURABILITY – thanks to the characteristics of the chosen material, recycled LLDPE, which has a very high impact resistance also in low temperatures.

SAFETY – safer loads in the fishing industry due to rims, which fit standard EURO FISH CRATES.

HYGIENIC – the pallets are approved for the use in the food and pharmaceutical industries.
